

## ***LBJ High School Band***

### ***Student Accounts Committee***

Our committee runs fundraisers throughout the school year to give all band students an opportunity to earn money for their student accounts—money that can be used for band trips, music expenses, banquet tickets, uniforms, etc.

We have two fundraisers that the band does every year:

- ◆ **Cookie Dough** – we begin selling cookie dough on Everything Day (August 9<sup>th</sup>) and we will sell it through September 5<sup>th</sup>. Students earn a 40% profit on what they sell.
- ◆ **Holiday Wreaths** – we begin selling holiday wreaths in October. This is our largest money-making project.

We may also add additional fundraisers this year since our band trip is to New York in the spring.

**Order Delivery:** Cookie dough and wreaths are delivered to the LBJ band hall and must be picked up by students or parents on the delivery day. We will give as much notice as we can on the delivery date. Some wreaths can be ordered for direct delivery, but the rest will be delivered to LBJ.

We will keep you informed on all fundraising activities by email and by sending order forms and brochures home with the students.

### **Look for our table on Everything Day!**

If you have any questions, please contact one of the fundraising chairs:
